

# The Perectus Defendus

The Perectus Defendus is the Imperium's defence force. Altogether, it has over 100,000 members. Most of them are soldiers, but about 5,000 make up the Administratum. The main force of soldiers is the Storm Hawks. There are about 75,000 Storm Hawk soldiers and about two to three hundred middle and high ranking officers whose job it is to supervise the troops. The Storm Hawks are divided up into legions of about 5,000. These are sub-divided into
