War of the Galaxies

The War of the Galaxies is the name given to the largest full-scale assault in known history. There were two sides to the war: the Kataga galaxy and the aliens galaxy. It started at 1 - 4 - 754 P\T in the Badlands near Alpha IV. The survey ship *Far Searcher* and 2 other vessels were fired upon by an unknown ship. While the *Far Searcher* and the unknown ship were engaged, approximately 740 alien ships were brought in. When the *Far Searcher* found this out, she set course for Starbase 219. Within 2 months of the initial invasion, 20 planets were captured by the aliens. 3 major forces banded together: Kronos, the Srta Imperium and the Ma'los Empire. Out of the 20,000 ships owned altogether, only 700 were still in one piece at the end of the war. The Ma'los Empire and the Srta Imperium had many fighting ships but Kronos had only 20 ships and almost all of them were peace time ships. While the Imperium and the Empire fought it out, Kronos stayed back, planning attacks, building a large army of battle hardened warriors. When the time came for the captured planets to be cleansed of aliens,
